Call For Proposals
Essential Supplies/Equipment Grants for Honors College Students

Honors College students may apply for up to $300 to offset the costs of equipment and supplies for the completion of research related to an Undergraduate Research Program sponsored research apprenticeship, honors contract course, or a senior honors thesis/project.

**Due Dates:** Applications are due no later than the third week of classes for each semester; summer applications for ESE grants are due the first day of finals week in the preceding spring semester. Funds are paid directly to the department sponsoring the course/thesis/research apprenticeship.

**The ESE application should include the following:**

- Short Description of the project.
- Identification of learning objectives related to the project.
- Budget
- Time Table for Completion of Project
- Projected Outcomes for Project (for example: presentation at ODU Undergraduate Research Symposium, honors thesis, etc.).
- Letter of support from faculty research mentor.
- Applications should be emailed as attachments to Ms. Lisa Dunbar, executive secretary for the Honors College: ldnbar@odu.edu. The subject heading should be "ESE application."
