**Welcome to the
Summer COMM 412/512
Interpersonal Communication**

- **Please read materials prior to coming to class–**
- **For next class, read DD 1 and BW- INTRO (then follow the calendar).**

Introductory Exercise

- **We all develop our own personal philosophy about how communication in personal and social relationships best “works,” and this philosophy guides our communication behavior.**
- **Interview your partner (5 minutes) and find out how she/he completes the following:**
 - **Interpersonal communication works best when _____.**

Introductory Exercise

- **You will then introduce your partner and share what you found out with the class.**
